Being enterprising and creating innovative solutions
Striking the right balance between experimentation and unlocking potential
Using the power of inclusion and diversity to drive people's passion and inventiveness

BRAND PERSONALITY

Courageous
Energetic
Agile

Brand Voice

02

The Collaborative Entrepreneur

In the world of explosives, ammunition and science-powered solutions, that serve wide-ranging purposes, Solar comes across as a cornerstone of expertise, initiative and innovation.

An idea-creator, Solar pushes the envelope in developing products that propel its clients to shift the needle in their respective businesses.

Conscious about the role of its people in creating meaningful impact, Solar brings together diverse people, to work collectively, nurturing their talents and skill. It harnesses the power of collaboration to work with clients, understanding their needs and delivering products from world class reliability and results.

Powered by its strong desire to do more and do better, Solar works its way through resilience in the face of any challenge, always willing to learn from its mistakes and going the extra mile where others may not.

The Collaborative Entrepreneur

Resilient

WE BEHAVE WITH

Integrity, confidence and focus

In the pursuit of truly shifting the needle in terms of results for our clients, we deliver what we promise.

With an astuteness and laser-sharp focus on creating solutions that strive to make a difference and achieve progress for many, we challenge the problems with courage and confidence.

WE SHOULD FEEL

Passionate, approachable

We draw people into our world, our journey, with the conviction of purpose – confident about who we are and what we are setting out to do.

Personable, collaborative and conversational in nature, we wear our expertise lightly.

WHAT WE SAY

Inspires energises

We understand that our is in service of something greater– and that requires bringing people along with activating them.

We are innovators, looking towards new possibilities ideas as true visionaries create meaningful impact.

Voice principles of being The Collaborative Entrepreneur

These are guiding principles that convey the behavioral intent for our voice. A writer can discretionarily use these to guide their writing at different points of interaction for the brand.

Be Inviting
